

WASHINGTON CONTRACTOR'S LICENSE BOND VALIDATION RIDER

This rider is part of bond number _____ issued to
_____ as principal
on _____. The fact that the effective date of the bond is more than thirty (30) days
prior to the date it was filed with the Contractor Registration Section shall not make the bond invalid or
unenforceable. **However, the bond itself shall be void if the principal does not file it and this rider
with the Contractor Registration Section within thirty (30) days of the date this rider is issued.**

Rider Issued This: _____ day of _____

Bond Company

By: _____
_____, Attorney in Fact

This rider is intended to be used: a) in conjunction with a bond with an effective date of more than
thirty (30) days prior to the date of filing with the Contractor Registration Section; and b) with a bond
issued as a substitute for a previous bond or deposit with the Department of Labor and Industries where
the effective date of the bond is to be more than thirty (30) days prior to the date of filing of the bond.
